
Partnership 4 Kids – Service League

Partnership 4 Kids (P4K) is a goal setting and group mentoring program that builds hope for Omaha's under-served students and helps them create a foundation for success from pre-kindergarten to careers. P4K is strengthening the community through partnerships with Omaha schools, local businesses, and individuals. We collaborate to transform the future of Omaha through educational advancement and student success. Currently more than 5,400 students in 22 Omaha Public Schools and a variety of post-secondary institutions, with over 400 volunteers/mentors participate in P4K programs.

Our Mission:

To mentor kids for college today, and careers tomorrow.

Our Vision:

To build a better community by inspiring hope, engaging minds and launching futures through goal setting, mentoring, college and careers.

Our Service League:

The Service League has one goal and that is to support the mission and programs of Partnership 4 Kids. This volunteer organization achieves this goal through a variety of ways, including:

- Connecting P4K with community partners willing to host career tours for youth
- Introducing P4K recruitment teams with potential groups or individuals who may be interested in mentoring
- Supporting programing through volunteering and/or coordinating incentive/supply drives
- Assisting with fundraising events that support P4K's operational and program objectives

Our Expectation:

P4K relies on volunteers and its Service League to fulfil the mission of mentoring kids to and through college! We ask you to attend meetings and to volunteer in an area that fits your interests and strengths. We have many needs, some of which arise with little notice and we are dedicated to bringing these needs to your attention in the hopes you can help us and the children we serve.

We understand that you have many commitments and we are honored that you would consider investing your time and resources in P4K and the children we elevate through mentoring and goal-setting.

Meetings:

Service League meetings will be the 3rd Tuesday of the month, from noon – 1:00, at the Community Engagement Center at UNO. Lunches available for \$5.
