

Bike to SUCCESS

Goal setting is a cornerstone of the Partnership 4 Kids program. Providing incentives is a great way to encourage our students to achieve their goals.

Students achieving all goals set in reading, and life skills each semester are entered into a raffle to win new school supplies, backpack, educational prizes or the ultimate prize—a new bike, helmet, and bike lock at the P4K school-wide celebrations.

How you can help:

Become a bike sponsor! Your donation of \$100 provides a new bike, bike lock, and helmet to a very deserving student. Bike sponsors will be invited to the Goal Achievement Celebration when their sponsored bike is presented.

To Become a Bike Sponsor:

To make a contribution to Bike to Success and reward a student for their dedication or for more information, please call (402) 930-3000.
