The P4K Mentoring Experience:

As a P4K mentor you'll have the support of a Program Coordinator, who will be on site throughout your mentoring experience. We take care of the logistics so that you can spend your time engaging with our students.

What is a Group Mentor?

Commitment: 1 year, with the option to follow your mentees!

You will work with Middle or High School students. Mentors meet an average of 2 times a month with quarterly outings or experiences built in throughout the school year. Meetings are at the school from 3:30-5:00.

Mentors work with a core group of 3-4 students in a classroom setting with other mentors and mentees engaged in project based learning. Fun activities will be set around themes connected to goal setting, life skills, healthy relationships, graduation, college access and career exploration. Once mentors are matched we ask that they engage in at least one outing outside of the P4K meetings each semester.

Group Mentors serve the following OPS schools; Middle Schools; Monroe, McMillan, Marris, Norris, and Lewis and Clark

High Schools; North, South, Central, Northwest and Benson

For more info, email: mentor@p4k.org or call 402-930-3000
