Summer Wonders

A book that celebrates all things summer--from playing at the park to swimming at the pool to catching fireflies. Children will delight in the rhymes that captures summertime fun.
This book is yours to keep at home and enjoy over and over again! Here is a way you can take what you learned from the book and apply it at home.

Follow the directions in the back of the book to make mini ice pops! State the name of each item you use to familiarize your student with the items.

- Fill an ice cube tray with your favorite fruit drink.
- Cover the ice cube tray with plastic wrap or foil.
- Stick a toothpick or straw through the covering into each compartment.
- Put the tray into the freezer.
- Wait 2-3 hours for the liquid to freeze.
- Remove the tray from the freezer and remove the covering.
- Twist the tray to pop out the mini ice pops!

Help your student write words to describe the shape, color, and feel of the mini ice pop!
